

Rezerv Uygulama 4

Uygulamadaki rezerv konuları altı çizili olarak gösterilmiştir.

Discrepancies are underlined

	"RECEIVED" word has been used instead of "Taking in charge" on the transport document
	Transport document is short form
X	<u>Multimodal does not covering at least two different modes of transport</u>
	Exporter on the certificate of origin is different from that shipper/consignor on the transport document and beneficiary of the credit.
	There is conflict between Multimodal and C/O so Consignee on the both documents are not same.
X	<u>Insurance certificate subject to franchise/excess</u>
X	<u>Incoterms version has not been indicated on the invoice as in the credit</u>
	Correction on the Invoice has not been approved by the beneficiary
X	<u>Invoice has not been dated as required by the credit.</u>
	Chamber of Commerce endorsement date on the ATR and Certificate of Origin later than the Transport document date
X	<u>Correction on the C/O has not been approved by Chamber of Commerce</u>
